

RoHS Compliance

TOTAL MARK | High Tack Printable Media

iSee2 confirms to have received assurance from all our suppliers that the formulation of the below mentioned products do not contain any substances above the ceiling concentration mentioned in the EU Directive 2015/863 (RoHS-directive, status: 22 July 2019) and is therefore fully compliant with the terms.

51.100N-3 | ForceTack Satin White

50.301N-3 | ForceTack Canary Yellow

However, analysis of these substances does not form part of our internal quality control system. This product information has been passed on by our suppliers. iSee2 can neither give any warranty nor assume any responsibility for factors outside our control or knowledge.

Yours faithfully,

The iSee2-team
